Digital Marketing Internship

Description

DigiMark24 is a fast-growing digital marketing agency helping businesses establish a strong online presence through SEO, social media, paid ads, and content marketing.

We're looking for enthusiastic and creative Digital Marketing Interns to join our team. This internship offers hands-on experience with real client projects, giving you the skills and confidence to succeed in the fast-paced digital marketing industry.

Responsibilities

- Assist in planning and executing digital marketing campaigns.
- Support SEO efforts, including keyword research and on-page optimization.
- Help manage and grow social media accounts (Facebook, Instagram, LinkedIn, etc.).
- Create engaging content for blogs, social media, and marketing materials.
- Monitor and report on campaign performance using analytics tools.
- Coordinate with the design and development teams for campaign needs

Qualifications

- Basic understanding of SEO, social media, and online marketing.
- Familiarity with tools like Google Analytics, Search Console, or any social media scheduling tools.
- Good written and verbal communication skills.
- Creativity and willingness to learn new strategies.
- Ability to work both independently and in a team.

Job Benefits

- Real-world exposure to client campaigns and marketing tools.
- Mentorship from experienced digital marketers.
- Flexible work hours.
- Certificate of completion and potential full-time offer
