Graphic Designer Internship

Description

DigiMark24 is a creative digital marketing agency helping brands grow through eye catching visuals, innovative designs, and engaging marketing campaigns. We're looking for passionate and creative Graphic Designer Interns to join our team. This internship is perfect for those who want to enhance their design skills and work on real client projects, creating visuals that make a strong impact online.

Responsibilities

- Design graphics for social media posts, ads, and marketing campaigns.
- Create visual content for websites, banners, brochures, and branding.
- Work with the marketing team to create designs that align with brand identity.
- Assist in creating infographics, presentations, and promotional materials.
- Stay updated with the latest design trends and tools.
- Deliver creative ideas within deadlines.

Qualifications

- Basic knowledge of design tools like Adobe Photoshop, Illustrator, or Canva.
- Creativity and an eye for detail in color, typography, and layout.
- Ability to work with brand guidelines.
- Basic understanding of social media and digital marketing design needs.
- Willingness to learn and work in a collaborative environment

Job Benefits

- Hands-on experience designing for real-world clients.
- Mentorship from experienced graphic designers and marketers.
- Flexible working hours.
- Certificate of completion and potential full-time offer.
