Web Designer Internship

Description

DigiMark24 is a fast-growing digital marketing and web development agency that helps brands build a strong online presence. Our design projects range from creative website layouts to engaging user experiences for full-scale digital campaigns.

We're expanding our design team and looking for passionate Web Designer Interns to join us. This is a great opportunity to gain real-world experience in modern design tools, UI/UX principles, and website aesthetics

Responsibilities

- Design visually appealing website layouts and graphics.
- Work with HTML, CSS, and design tools to create responsive web pages.
- Collaborate with the development team to ensure design accuracy during implementation.
- Assist in creating banners, icons, and other visual assets for websites and social media.
- Participate in design reviews and brainstorming sessions.
- Stay updated with the latest design trends and tools

Qualifications

- Basic understanding of HTML and CSS.
- Familiarity with Adobe Photoshop, Illustrator, or Figma.
- Knowledge of responsive web design principles.
- Good sense of color, typography, and layout.
- Eagerness to learn and adapt in a fast-paced environment.
- Ability to commit at least 5–7 hours per day

Job Benefits

- Real-world experience designing websites and graphics for live projects.
- Exposure to client projects and professional design workflows.
- Mentorship from experienced designers and developers.
- Certificate of completion and potential full-time offer

Contacts

Click the "Apply Now" button and submit your resume, portfolio (if available), and a brief cover letter telling us why you're interested in this internship.
